

Minutes of the **D4485 Surveillance Panel** Hybrid Meeting
Orlando, FL
December 7, 2022

Attendance: (See sign-in sheet, attached)

The meeting was called to order at 11:59 am Eastern Standard Time (EST).

The minutes were approved unanimously. (Motion by Laura Birnbaumer, Second by Joe Franklin)

The chair reviewed the Agenda. (attached)

The efforts to update the variable elastomer limits in D4485 related to the reference oil used for calibration were reviewed. A working group is being assembled to address this topic.

The status of the effort to declare equivalence between D6278 and D7109 was reviewed.

Once these two items are completed, the results will be submitted to the panel for consideration and approval. If approved, an Information Letter will be issued and a new version of D4485 will be published.

There was no other new business.

The next meeting is potentially at the December D02 Committee meetings in New Orleans, or at the Call of the Chair.

The meeting adjourned at 12:10 pm EST.
