

L-60-1 Information Letter 24-2
Sequence Number 55
December 4, 2024

ASTM consensus has not been obtained on this information letter. An appropriate ASTM ballot will be issued in order to achieve such consensus.

TO: L-60-1 Surveillance Panel

SUBJECT: Addition of an alternate o-ring part number for use on the gear case cover plate.

On November 13, 2024, the L-60-1 Surveillance Panel approved the addition of an alternate o-ring part number for use on the gear case cover plate. No. 2-263 or 2-264 are acceptable o-rings for use in this application. Footnote #19 and Annex A6.1, item (34) will be updated to include o-ring No. 2-263. This change is effective November 13, 2024.
