

February 13, 2017

To The Participants of the Light Duty Rating Workshop:

The 2017 Light Duty Workshop is scheduled for Wednesday, April 5, 2017, through Friday, April 7, 2017. In a change from recent rating workshops, there will be two rating sessions for 2017. The first session will be by invitation-only and will be used to set targets for the workshop. The second session, held Wednesday through Friday, will be open to all raters. ***All participants are expected to have some rating experience.***

In addition, raters will have the opportunity to participate in the ASTM TMC Rater Personnel Certificate Program as a result of their performance at this workshop. Full details of the Certificate Program are available at the following link:

[ftp://ftp.astmtmc.cmu.edu/docs/rater\\_calibration/CertificateProgramOverview.pdf](ftp://ftp.astmtmc.cmu.edu/docs/rater_calibration/CertificateProgramOverview.pdf)

**Note that the host hotel for the workshop has changed for 2017.** The workshop will be held at the Marriott San Antonio Northwest, 3233 NW Loop 410, San Antonio, Texas, 78213. A block of rooms has been set aside for participants. The room rate is \$119.00 per day, plus applicable taxes, and it includes a daily breakfast buffet for one. **Rooms at this rate will be held until March 12, 2017.** For hotel reservations, please call Ms. Melissa Kim at (210) 377-3900 ext. 6012 and mention “ASTM Test Monitoring” (or book online using the link below) to receive the rating workshop room rate.

[Book your group rate for ASTM Test Monitoring](#)

The non-refundable fee for the workshop session is \$1350.00 for participants (\$1250.00 for participants who wish to forgo the ASTM Certificate Program). Payment for the workshop can be made by credit card during online registration, or by check.

To register for this workshop, visit the TMC website ([www.astmtmc.cmu.edu](http://www.astmtmc.cmu.edu)) or follow the direct link, below:

<http://www.astmtmc.cmu.edu/cc/>

If paying by check, first register online for the workshop, select “check” as your form of payment, and mail a check payable to ‘ETMC – Carnegie Mellon University’ to:

ASTM Test Monitoring Center  
Attention: Amanda Darcy  
6555 Penn Avenue  
Pittsburgh, PA 15206  
[ahd@astmtmc.cmu.edu](mailto:ahd@astmtmc.cmu.edu)  
412-365-1022

**The deadline for registration and payment is March 17, 2016.** Because of the preparation necessary for a rater to access the computer systems used at the workshop, pre-registration is required. *Any registrations submitted after this date will be subject to a \$400 Late Registration Fee, and will be approved on a case-by-case basis. No walk-in registrations will be accommodated under any circumstances.*

The workshop hours will be 8:00 A.M. to 5:00 P.M. each day. Lunch is scheduled for one hour starting at 12:00 noon and is provided. Each workshop participant will be provided with a new, serialized varnish scale and a new, serialized sludge photo scale, but is expected to bring all other necessary rating aids, manuals, calculators, and any other necessary items.

Participants are also **required** to bring a laptop computer, capable of wireless internet access, for rating data entry purposes. Participants without a wireless-accessible laptop computer may find it difficult to complete the required data entry in the time allotted. In addition, be advised that non-Bluetooth® wireless computer accessories (wireless keypads, mice, etc.) may be subject to interference and cause data entry errors for you or other participants.

If your particular rating responsibilities require you to have a current workshop certificate, be sure to schedule your travel to allow you to attend **all** the data review sessions to their completion. As such, we highly recommend planning your return trip for late Friday or Saturday to avoid missing any of the final data review session. **Attendance at all data review sessions, to their completion, is mandatory to receive a certificate.**

Sincerely,

Tony Barrera  
Deposit Rating Project Leader

Michael Kasimirsky  
Workshop Coordinator

## 2017 ASTM Light Duty Rating Workshop Schedule

<u>Date</u>	<u>Time</u>	<u>Activity</u>
Wed 4/5/17	8:00 A.M. - 10:00 A.M.	Introductory remarks; discussion of current rating issues.
Wed 4/5/17	10:00 A.M. - 5:00 P.M.	Rate and input data. Trainers will be available.
Thur 4/6/17	8:00 A.M. - 5:00 P.M.	Rate and input data. Trainers will be available.
Fri 4/7/17	8:00 A.M. - 12:00 P.M.	Rate and input data; review and discuss results.

The rating area will be made available for extended hours (before 8:00 A.M. and after 5:00 P.M.) based upon individual requests.

Times are approximate and depend on data flow.

***The final data review on Friday may run until 12:00 P.M. or later and attendance at all data review sessions, to their completion, is mandatory to receive a certificate. Please make your travel plans accordingly.***
